COASTLINE

Australis Coastline

THE PREMIUM FAMILY EXPERIENCE

The Australis Coastline delivers exceptional comfort for family adventures. With its innovative living space, thoughtful layout, and comprehensive features, this premium caravan range redefines family travel.

THOUGHTFUL DESIGN ELEMENTS

The Coastline series showcases the Australis commitment to quality with concealed plumbing connections, precisely aligned fixtures, and clever space utilisation.

Australis Caravans is driven to design and build innovative, modern caravans with the right combination of features, smart comfort and safety. The Coastline series exemplifies Australis's design philosophy - combining smart, family-friendly features with premium comfort and exceptional build quality for memorable Australian adventures.

Signature Features

- **Family-Optimised Layout:** Spacious rear bunk configuration with individual reading lights and optional 12V fans for personalized comfort.
- **Designer Kitchen:** Black sink with matching tapware, dedicated filtered drinking water, and recessed cooktop with griller and fan-forced oven.
- **Intelligent Storage Solutions:** Sectioned full-height pantry and strategically placed wardrobes maximize usable space.
- **Comprehensive Entertainment:** Smart TV and Bluetooth stereo system with internal and external speakers.
- **XT Model's Exclusive 'Gold Class' slide out Lounge:** Elevated club lounge with built-in cupholders and reading lights transforms at the push of a button.

Off Grid Capability

- **Advanced Power System:** Battery bank with substantial rooftop solar array
- **Optional High-Capacity Inverter:** Powers all outlets for genuine off-grid comfort
- **Water Management:** Multiple freshwater tanks with grey water storage for extended stays
- **Outdoor Living:** Slide-out BBQ tray
- **Extended Storage:** Practical A-frame toolbox with dual-side slide-outs for portable fridge and generator options
